The 50 acre Miner Hill Bluff overlooks the city of Richland Center from its east side. The bluff features several trails that take hikers to five scenic overlooks, wooded areas, open meadows, and an old quarry site. The trail head is on Court Street, where a parking area is provided. All trail overlooks are railed and the trail itself is complete with signs. Several improvements were made to this park in recent years, including the addition of picnicking facilities, improved fencing, and the opening up of new areas for scenic overlooks.
