

Richland Center Youth Coach Pitch K-2nd Grade Registration Form 2016

Richland Center Youth Coach Pitch is a beginner's league for kids in grades K-2. This program will give the participants a basic understanding of the fundamentals of baseball and softball. Our coaches will provide the youth with a positive environment to learn and love the game. The program starts with two one-hour practices a week (weather permitting). As the season progresses, one practice will be removed and replaced by a game. The season will begin the first part of June and run until the end of July. Coaches will be contacting their team with exact times and dates once they are known. We look forward to another great season of fun. See everyone on the diamond!
