To whom winter is a concern,

With the reduction in County funds, All Departments are expected to cut back, with the large expense of winter maintenance and the extra overtime it requires, one way of reducing costs is to reduce services during off hours beyond the regular 8 hour work schedule. The county plows will no longer be in service for snow events under 1 inch from 3:30 pm till 7:00 am. And weekends. The state trucks will keep roads passable with a void from 10:00 pm till 4:00 am. As we are not a 24 hour service county. There will not be any reduction in state overtime only county.

The public should prepare for winter with the proper tires and service and add sufficient time to get to destinations safely.

ONLY DURING EMERGENCY EVENTS SUCH AS A FIRE OR AMBULANCE CALL WILL A PLOW TRUCK BE MOBILIZED DURING OFF WORK HOURS.

Notify only the contacts listed on the winter call-out calendar.

Thank you for your understanding in these trying times.

Sincerely

Interim commissioner - State superintendent.
