

SEX OFFENDER INFORMATION BULLETIN
COMMUNITY NOTIFICATION
April 3, 2019

Area Residents:

The Richland Center Police Department is releasing the following information pursuant to Wisconsin State Statute 301.46(2m) which authorizes law enforcement agencies to inform the public of a sex offender's release when, in the discretion of the agency, the release of information will enhance public safety, awareness and protection.

The individual who appears on this notification has been convicted of a sex offense that requires registration with the Wisconsin Sex Offender Registration Program (SORP). Further, this individual's previous history places him in a classification level that reflects the potential to re-offend.

This sex offender has served the prison sentence imposed on him by the courts. **THIS PERSON IS NOT WANTED BY POLICE.** This notification is not intended to increase fear; rather, it is our belief that an informed public is a safer public.

Sex offenders have always lived in our communities, but it was not until the Sex Offender Registration and Community Notification Law was enacted, that law enforcement was able to share this information with the community.

Citizen abuse of this information to threaten, intimidate or harass registered sex offenders will not be tolerated.
