Richland Economic Development, the City of Richland Center, and the Southwestern Wisconsin Regional Planning Commission need your help in planning Richland Center’s future. Richland Center residents are asked to visit the Richland Center Community Building at 1050 N Orange St., Richland Center, WI on THURSDAYS from 10am - 7:00pm, now through April 15th (NOT on April 8th).

We want your opinion on topics such as Recreation, Housing, Businesses, Social Opportunities, Building Use, Land Use and Leadership. Zoom meetings are available by accessing information on the City’s website at <https://ci.richland-center.wi.us/>. Please contact Matt Honer at (608) 342-1637 for more details.

The first meeting (3/11) will cover Visioning issues.

These “Open House” meetings will guide small groups of interested community members through several discussions to gather input. Social distancing and public health suggestions are being observed. If you are unable to wear a mask or participate in person, you can participate online or by phone via **Zoom at 5:00pm**. The link is below:
